Frequently Asked Questions and Reminders

If your check is written by someone whose name is not on the account, please be sure to include your sponsor ID number on the face of the check. Your sponsor ID number can be found on the top portion of this statement, above your name.

Why is my commitment \$27.00 per sister? Women for Women International changed its monthly contribution to \$27.00 per sister beginning April 1, 2005. For more information, please contact us or see our website at www.womenforwomen.org/spincrs.html

I replied and agreed to the change in the monthly commitment. Why is my commitment still \$25.00? If you are paid in advance, you are not responsible for the change until your next payment is due. In addition, if you support a sister in Iraq and have been notified about her extension in the program, you will not be responsible for the new commitment until she graduates from the program.

I pay by credit card. Why am I receiving a statement? You may be receiving a statement for several reasons:

- **We may be having trouble charging your credit card.** Your statement will indicate if we are having trouble charging your card. This could happen if you changed your address or the name on the account, received a new expiration date, the credit card billing address and your mailing address don't match, or several other reasons. Please update your credit card information, or contact us.
- **We do not have your email address or you have indicated that you don't want to receive emails.** Each month, we include a "Country Update" on the back of this statement, which provides updates on our programs in the field. If you pay by credit card and we do not have a valid email address for you, or you have previously indicated that you don't want to receive emails from us, we will mail this to you each month. If you pay by credit card and would like to begin receiving these updates via email, please update your email information above.

I paid in advance. Why is my Total Due "0.00"? If you paid advance, your total due will be zero until your advanced contributions have all been applied to your account. If your account is paid in advance, your statement will read "Your account is paid in advance" above.

If I sent in a check last month -- why do I have a Past Commitment Due? If your check was received after the 1st of the current month, it may not appear on this statement. If you have sent a contribution, please deduct it from your total due above.

Still have questions? Please contact your Financial Coordinator at 888-504-3247 or finance@womenforwomen.org or your Sponsorship Coordinator at sponsorship@womenforwomen.org
